DANCE HOLIDAYS

Inn on the Prom

Lytham St Annes, Lancashire, FY8 1LU

8th April—12th April 2018

Join us as we travel to the delightful Inn On The Prom hotel for our annual pilgrimage to the home of Ballroom dancing, Blackpool! Situated right on the St Anne's sea front just a short journey from the famous Blackpool Tower, the hotel has all we need for 4 nights of typical Dizzyfeet fun and frivolity - plus beautiful sea views.

Our party will have the full use of the fantastic Normandie Ballroom through-out the stay with our evening meals served around the dance floor, dinner dance style. Not only do we have a great dance space at our full disposal, but as guests of the hotel you will also have full use of the hotel's quite comprehensive leisure facilities. In addition the hotel has a large free car park too for all its residents, so there's no worries about parking.

Your dance break with us will not only include daily classes for all levels and evening balls (with dance cabarets) but a chance to visit the world famous **Tower Ballroom in Blackpool** for an afternoon of tea and dance! Return coach travel will be organised from the hotel so that we can all arrive as a group. Each year this proves to be the highlight of the week and certainly something not to be missed—*especially if you've never been before!*

So whether you're a seasoned dancer or brand new to the dance floor, this dance break has plenty for you to enjoy and experience!

Please see the additional sheet for details of the itinerary and booking form.
